

Energy Engineering Scholarship 2016/17

Programme Enrollment Scholarship (PES)

Offering of PES

- The Energy Engineering (ENER) Programme will offer Programme Enrollment Scholarships (PES) ranging from HK\$10,000 to HK\$20,000 each to second-year students majoring in ENER in 2016/17.
- This offering of scholarships is aimed at encouraging students with strong interest and good academic standings to enroll in the ENER Programme.

Conditions and Terms

- Each PES is tenable for one year.
- Applicants may be invited for in-person interviews.
- The actual amount of scholarship awarded to individual awardee will be decided by a Committee formed by the Programme.

Eligibility

An applicant should:

- be majoring in ENER by the time of application;
- has strong enthusiasm in Energy Engineering;
- a) has attained a Cumulative GPA of 3.00 or above in academic year 2015/16; or
b) has attained a Cumulative GPA between 2.50 to 2.99 in the academic year 2015/16 and has strong financial needs.

Application Procedures

Please submit the following documents to Ms. Connie Mok at email: spmok@mae.cuhk.edu.hk:

- Personal resume;
- Academic results at CUHK;
- Applicant with strong financial needs should include a brief description (in Chinese or English) of his/her financial situation;
- Any other supplementary information, such as transcripts of HKDSE, other public examination results, or any other achievements.

Closing Date for Application

5:30 p.m., 30 September 2016 (Friday)

Announcement of Results

The interviews and announcement of outcome will be in October/November 2016.
